CONGRATULATIONS AND GOODBYE TO YEAR 12

The Higher School Certificate ended this week and, at the time of writing, most of our Year 12 students are now completing sign out procedures at the school. I wish Year 12 well in completing this final step in their Secondary Education.

The presentation assembly held to farewell our students and to issue documents last term was again a great success, I thank Mrs Jameson and her staff for organising such a wonderful send off for our students.

I would also like to congratulate the dux of our school; Lachlan Foley. Lachlan was awarded this honour based on his results in his subjects at school which indicate that he is expected to be placed in the top bands for most (if not all) of his subjects. This is an outstanding result for a very talented student.

The formal function was also held at the end of last term and was a most enjoyable occasion in a beautiful venue – Novotel Norwest. Ms McKenzie worked tirelessly for the Year 12 students in order to ensure that this function was memorable and a fitting farewell to the students after reaching this important milestone in their lives. I thank Ms McKenzie on behalf of Year 12, the school staff and the community for an excellent job. Year 12 were truly wonderful ambassadors for the school on this occasion and should be very proud of the way in which they conducted themselves. The manager of the venue again complimented our students at the conclusion of the evening for their behaviour and respect throughout the night inviting the school back at any time for future functions.

Later this year, once the exams are over and HSC results are known we will have a chance to enjoy the company of Year 12 one last time as they are all invited back for lunch with the staff to tell us all about their HSC experience and the results they achieved. This is planned for Tuesday 17 December 2019.

END OF YEAR

I remind all students and parents that **every student apart from Year 12** is expected to attend school up until the last day of the school year which is December 18th this year. There is no early finish date for students in any year apart from Year 12.

END OF YEAR EXAMS AND ASSESSMENTS

Exams and assessments have been and are being conducted and marked over the next few weeks. Reports will then be written and teachers are preparing for some of our end of year functions such as Presentation Day (13 December 2019, 9 am) and Sports Presentation Night (28 November 2019)

Once exams are concluded, normal lessons and class work continue until all reports are finalised. The yearly result is a combination of exams, assessments and class work. I wish all students well in their exams and hope that the results they receive are truly reflective of their work and effort in classes.

NEW SCHOOL CAPTAINS AND VICE CAPTAINS

Our new school captains and vice captains have been elected and have taken up office. Accelia Morgan and Samuel Pinomi are our captains, Piraya Sangprajak and Mitchell Chester are our vice captains. I congratulate these four students for being elected to this

role and look forward to their contribution in running our school.

The prefects were also announced and we have now held elections for the rest of our Student Representatives from the other years.

P&C MEETING

The next meeting of the P&C will take place on **Wednesday 20 November 2019**. The venue for this meeting is Seven Hills/Toongabbie RSL Club where we will celebrate a year of working together to support the students at the school. We meet there at **6 pm for 6.30 pm** when we have dinner together and celebrate a successful year.

CAPA/TAS HSC EXHIBITION

I encourage all students, parents and friends to visit our HSC CAPA/TAS exhibition of student major work for the HSC.

The artworks, TAS projects and performances from students across the school in all years will also be showcased in the exhibition.

This exhibition, held in our school hall, is truly spectacular and awe inspiring. The work done by our students from the HSC right down to the Year 7 students is exceptionally good.

The exhibition will be open straight after school (from 3pm) on Wednesday 20 November 2019 and will stay open until approximately 6.30pm. Refreshments will also be available, capably prepared by our hospitality students.

I wish all parents and students a successful and pleasant month ahead.

Regards

Mitchell Struyve

Principal

Positive Behaviour for Learning

Our school values of Safety, Tolerance, Achievement and Respect are the core principles which should guide both students and staff at The Hills Sports High School.

Tolerance is the recognition that everyone is different and that we are conscious that all differences are valued.

Parramatta Rotary VET Awards Night

Each year Parramatta Rotary Clubs sponsor an awards night for students and teachers in the Parramatta and Blacktown areas who have excelled in vocational education. In 2018 and again this year The Hills Sports High School organised the event. Among the courses covered are Hospitality, Fitness, Entertainment, Construction and a wide range of other courses. These produce highly valued skills for future employees.

A dozen schools were involved in nominating teachers and students for these awards. About 200 people attended the event on 2nd September including students, parents and friends, teachers and principals.

Among the official guests was Mr Mark Taylor Member for Seven Hills. Councillor Julie Griffiths represented Michelle Rowland MP Federal member for Greenway and Councillor Kathie Collins represented Blacktown Mayor and Member for Blacktown Stephen Bali. As well as these special guests the Parramatta Rotary Clubs were represented. All were involved in the presentation of awards.

Catering for the event was carried out by our fabulous Hospitality teachers, Ms Hand and Ms Taylor supported by a wonderful group of students. All worked for hours prior to the event producing and serving a delicious array of sweet and savoury delights.

Music items were provided by students from Model Farms High School in preparation for the transfer of the awards night to Model Farms High School next year.

The event was a great tribute to the hard work and dedication of students and staff of VET subjects in the Parramatta and Blacktown areas.

Thanks,

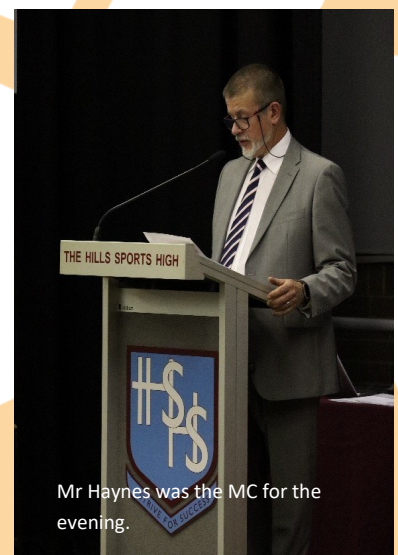

Mr Haynes, HT HSIE Event Organiser

The Principal Mr Struyve welcomed the recipients and guests.

Research Excellence Awards 2019

During August, Blacktown City Libraries in partnership with TAFE NSW held IT workshops for students in the Blacktown local Government Area.

Teachers from high schools in the Blacktown LGA nominated their students; our successful student was Chanula Kapukotuwe-Walawwe in year 11.

Successful students participated in a one day IT practical course in digital media, graphic design, information management and advanced database searching.

Chanula received a Certificate of Participation from TAFE NSW and a Research Excellence Award from Blacktown City Libraries at a formal presentation at the Max Webber Library on 27th August.

Chanula and The Hills Sports High would like to thank both TAFE NSW and Blacktown City Libraries for the opportunities they have provided our students and for the contribution; they continue to make to our community.

Theatresports Schools Challenge

What is Theatresports?

Teams, of three to five students, compete in a competition by performing fun improv games in a supportive environment against schools from across Sydney in three divisions, Junior, Intermediate and Senior. The focus is on the spirit of improv; play, fun, spontaneity, creativity, storytelling, valuing others, and failing good naturedly.

This year we are so proud that we were able to enter Theatresports Teams in the three applicable categories; Junior, Intermediate and Senior. Congratulations to all of the students who participated in these competitions!

Our Junior (Year 7/8) had 4 players; **Zara Champion, Rahul Lal, Cooper McWhirter and Dylan Wilkie**. They came 3rd in a very close competition with only 3 points from 1st place.

Our Intermediate (Year9/10) team came 2nd in their heats, getting through to the semi-final! The players were; **Lana Champion, Craig Thway, Ellenor Koch and Keira Jukes**.

Our Senior team (Year 11/12) had 3 players; **Aedan Pilch,**

Nirujan Kanthy & Jamal Matallah. They represented their school and were extremely entertaining in all 4 rounds.

Minifest 2019

Students also had the opportunity to participate in Minifest this year, as part of the Joan Sutherland Performing Arts Centre Youth Theatre festival. A theatre practitioner came out to our school to help devise a piece of theatre around the concept of 'mother.' Students then did a performance at the theatre and were also able to watch the night time performance of the festival.

Positive Behaviour for Learning

As part of our Positive Behaviour for Learning program at The Hills Sports High School, a short lesson on Safety in the classroom was presented to all students on Wednesday 13th November.

This has been designed as part of the program concerning the school's STAR values of Safety, Tolerance, Achievement and Respect. Students are to reflect on their behaviour and attitudes towards their own learning and each other.

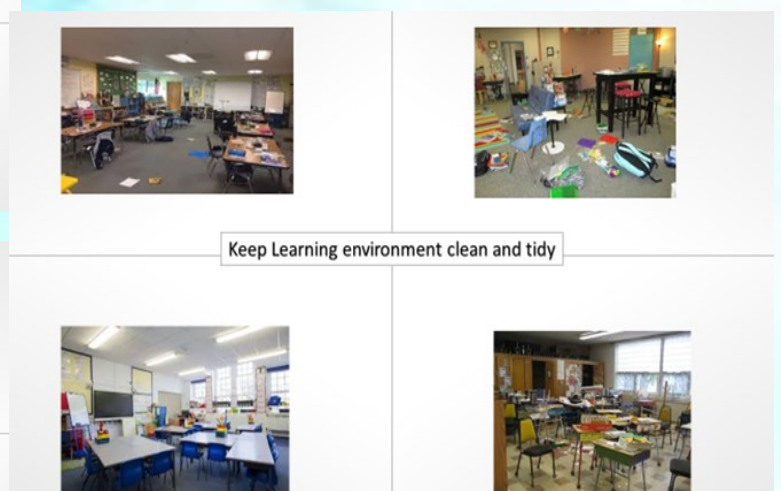

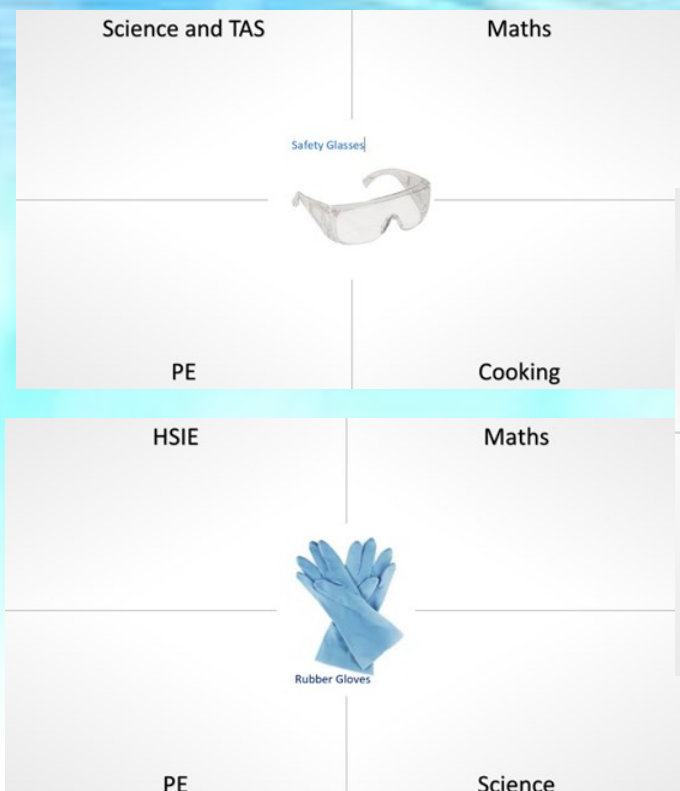

During the lesson, students reflected on what behaviours might lead to a safer class room and a better learning environment. Also, students considered what potential hazards might exist in the classroom and consider ways that these might be made safer.

Also, the use of special safety equipment for practical classes was highlighted. Students identified safety equipment such as goggles and leather shoes as being necessary to ensure safety in subjects such as Wood and Metal lessons in TAS and in Science practical lessons.

Further short lessons on the other school values will follow as part of the program to ensure that positive behaviours and learning are at the core of the daily school routine.

PBL Classroom Systems at The Hills Sports High School

Currently our school is delivering lessons based on our core values of Safety, Tolerance, Achievement and Respect in the classroom.

In Term 2, our school leaders Kenny Tuala and Samuel Pinomi delivered a speech at our assembly. The focus was to explain the meaning of tolerance and how we can show tolerance towards each other.

This term our school has taken our PBL core values of STAR into the classroom beginning with a lesson on Tolerance.

SCHOOL PHOTOS 2020

School photos will be taken on **Wednesday, 19th February 2020**. Students are to come in full school uniform. As The Hills Sports High School is a “uniform school” all photos will be taken of students wearing the full and correct uniform. All students are to be photographed for ID-Cards irrespective of whether they are placing an order or not.

A payment envelope will be given to students during **Week 2 Term 1, 2020**. It is our preference that ordering be completed online to reduce administration and potential security issues related to the return of cash and envelopes on photo day.

Please read carefully the instructions on the photo envelope before making your decision.

Orders for packages and sibling photographs can be placed online at **www.theschoolphotographer.com.au**.

Please note there will be a catch-up day for photos on Friday, 21st February 2020 at lunchtime in the School Library.
