

THE HILLS SPORTS HIGH SCHOOL

Our Purpose:

The Hills Sports High School provides both a comprehensive secondary education and a focused sports development program for students in Western Sydney. Greater than half of the total enrolment of 950 students attend in order to foster their elite sporting talents whilst completing their secondary education in an academic framework.

Position:

The Hills Sports High School seeks to engage a dynamic Swimming Head Coach with a strong practical knowledge of Swimming, coaching and development to work closely with school, staff and the Swimming teacher mentor in developing a comprehensive and progressive school Swimming program.

Swimming sessions are conducted Tuesday and Thursday (8.30am-10.30am) during school hours (4 hours per week – more with carnivals)

Rates of pay will be commensurate to coaching experience and accreditation.

Length of role – Start in May, 2024.

Core Duties and Responsibilities

- Run Swimming sessions in collaboration with school staff.
- Implement a consistent and appropriate training schedule and structure across the program that will facilitate development into senior Swimming and representative pathways.
- Individual feedback (verbal and written) to the players on their progress during the semester, highlighting areas of strength and areas for future development.
- Provide guidance, insight, and input to students for them to take into consideration in regards to further progression.

THE HILLS SPORTS HIGH SCHOOL

Knowledge and Skills

- Proven experience working in the area of elite talent development
- Demonstrated commitment to and experience in Swimming coaching
- Highly organised with strong interpersonal and communication skills
- Proven team player
- Mentoring and motivational skills
- Valid Working with Children (WWC) credentials for paid work

Attitude and Behaviours

As the role includes operating as part of a team, you are expected to work as a team member, show appropriate behaviours and respect to all our employees and work with a spirit of cooperation that embodies school values and behaviours.

Expressions of interest addressing the criteria above and including appropriate references should be directed to:
